Land in Grožnjan

1600 m2 of construction land with 1600 m2 of agricultural land for sale. The settlement is located in the Grožnjan area, two kilometers from the Ponte Porton roundabout and two kilometers from the old town of Grožnjan.

The land is located along the road, but is secluded on the edge of the construction zone. Water and electricity infrastructure currents pass close to the ground. Suitable for building one or more holiday homes.
