### **Attractive building plot with a smaller Istrian house in Krasica**

Attractive building plot with a smaller Istrian house in Krasica

In the area of

Krasica, only 3 km from the center of the village, an old Istrian house is for sale with a building plot of 1236 square meters and agricultural land of 1521 square meters.

The house itself is located on a plot of 97 square meters. The house is for reconstruction, while the owners recently changed the roof.

There is a separate access road to the construction and agricultural plot, which is located behind the house, size 200mq and is sold together with the land and the house.

The SeeAdria team is happy to help you with any additional information.
